

ELECTRONIC LOGGING DEVICES NEW RULE - NEW CHALLENGE

WEDNESDAY, FEBRUARY 17, 2016

Some are saying that this new Final Rule mandating electronic logs on all trucks could be the most significant change in our industry since deregulations in the early 1980s. Certainly it has all of our attention but the effect it has on us will vary. This seminar is designed to provide a knowledgeable foundation of the requirements so we can make good business decisions over the next 2 years.

Items to be covered:

- Who must comply including a couple of attractive exceptions for some in the industry
- The three major components of the rule
 - New supporting documents
 - How to use them to verify that the driver has logged correctly
 - Protection from harassment
 - Mute on TMS
 - Edits
 - Technical specifications
 - Synchronization with the ECM
 - Display to enforcement
 - Approved providers
 - Dates and decision process
- Panel of experts for question and answers
