SURVEY QUESTIONS:

1) If elected, what are your top three priorities for 2017-2018?

Answer: Our state is in such disarray it has been difficult for me to pick only three priorities. Here are my top five in alphabetic order. Child Welfare, Clean Air and Water, Education (restore funding K-12), Equal Pay for Equal Work, and Transportation.

2) Do you support eliminating the HURF transfers to DPS and other non-road construction and maintenance purposes?

Answer: No

Comments: I believe HURF should be given the money that is allocated to them. If and only if there is extra money should it be transferred to DPS.

3) Do you support the continued use of bona fide independent contractors in the trucking industry and oppose efforts by state and local governments to reclassify owner-operators as employees?

Answer: Yes

4a) Do you support the conversion of our existing infrastructure into toll roads?

Answer: No

4b) Do you support the use of toll roads for construction of new infrastructure?

Answer: No

5) On a scale of one to ten (one being low), how important do you believe transportation infrastructure (roads and highways) is to the success of the Arizona's economy?

Answer: 10

Comments:

6) Do you support exploring options to increase revenues for transportation funding through either taxes or fees?

Answer: No, I do not think we need to increase revenue/funding for transportation infrastructure; we have more than enough money to expand and maintain our system well into the future.

Comments: If the legislature would keep the money that is allocated for transportation we would not have to increase taxes. My door would always be open to discuss any issues or concerns that the Arizona Trucking Association may have.

7) Do you support or oppose the "Regulate Marijuana Like Alcohol" ballot proposition?

Answer: I support the marijuana proposition.
