SURVEY QUESTIONS:

1) If elected, what are your top three priorities for 2017-2018?

Answer: Jobs! Jobs! Jobs! The Economy Protection of property and water rights. I am opposed to the federal intrusion in our lives and our natural resource industries. Getting education dollars into the classroom for our students and teachers to help increase student achievement.

2) Do you support eliminating the HURF transfers to DPS and other non-road construction and maintenance purposes?

Answer: Yes

Comments: DPS should be funded separately and not from HURF

3) Do you support the continued use of bona fide independent contractors in the trucking industry and oppose efforts by state and local governments to reclassify owner-operators as employees?

Answer: Yes

Comments: I am an independent contractor as a Realtor/Real Estate Broker

4a) Do you support the conversion of our existing infrastructure into toll roads?

Answer:

4b) Do you support the use of toll roads for construction of new infrastructure?

Answer:

Comments: I need more information about this issue

5) On a scale of one to ten (one being low), how important do you believe transportation infrastructure (roads and highways) is to the success of the Arizona's economy?

Answer: 10

Comments: Roads and infrastructure are important to my district (rural areas) as well as the whole State of Arizona

6) Do you support exploring options to increase revenues for transportation funding through either taxes or fees?

Answer:

Comments: I am not in favor of raising taxes or fees. I am in favor of exploring other revenue sources to put more monies into transportation needs.

7) Do you support or oppose the "Regulate Marijuana Like Alcohol" ballot proposition?

Answer: I oppose the marijuana proposition.

Comments: This 20 page initiative is a really bad idea. I just came back from Colorado and the problems they are having with increase criminal activities... driving while drugged...increased hospital emergencies and increased youth users and homelessness are just a few of the problems there.
