### SURVEY QUESTIONS:

1) If elected, what are your top three priorities for 2017-2018?

**Answer:** Education - Continue to simplify the education finance formulas for the schools. (HB2476) Launch dyslexia statewide awareness program that I have initiated. Focus on policy to reduce regulations and state overreach on business and promote free market ideas (HB2337, SB1381). Acquiring more of our federal lands for our state

2) Do you support eliminating the HURF transfers to DPS and other non-road construction and maintenance purposes?

**Answer:** Yes

**Comments:** I was glad to see and support this budget funding of HURF.

3) Do you support the continued use of bona fide independent contractors in the trucking industry and oppose efforts by state and local governments to reclassify owner-operators as employees?

**Answer:** Yes

**Comments:** Tony, I know you did not like all the language in HB2652 but it is intended to protect independent contractors.

4a) Do you support the conversion of our existing infrastructure into toll roads?

**Answer:**

4b) Do you support the use of toll roads for construction of new infrastructure?

**Answer:** Yes

**Comments:** I would like to see an economic model of this.

5) On a scale of one to ten (one being low), how important do you believe transportation infrastructure (roads and highways) is to the success of the Arizona's economy?

**Answer:** 8

**Comments:** I-19 volume increase would promote additional trade with Mexico.

6) Do you support exploring options to increase revenues for transportation funding through either taxes or fees?

**Answer:** Yes, I think the legislature needs to increase taxes or fees to raise revenue for road infrastructure.

**Comments:** User fees for electric cars need to be incorporated

7) Do you support or oppose the "Regulate Marijuana Like Alcohol" ballot proposition?

**Answer:** I oppose the marijuana proposition.

**Comments:** Liability for trucking industry - unknown safety risks.
