**Answer:** No, I do not think we need to increase revenue/funding for transportation infrastructure; we have more than enough money to expand and maintain our system well into the future.

**Comments:** Well into the future is bad description. We must determine what needs to be done, find the money to do it all depending on needs to be done. We really have good roads in AZ. Ask your divers I have.

7) Do you support or oppose the "Regulate Marijuana Like Alcohol" ballot proposition?

**Answer:** I oppose the marijuana proposition.

**Comments:** I speak regularly to groups about how bad the 20 page document is. I was in Colorado, spoke with legislators they are making changes. we would not be able to make changes. See page 13 for reasons to vote against initiative. Paragraphs say use of marijuana can not be used in prosecution or firing.
