HOURS OF SERVICE & ELECTRONIC LOGGING DEVICE SEMINAR

THURSDAY, MAY 18, 2017

The Hours of Service (HOS) have gone under some revisions recently and include a mandated responsibility to place Electronic Logbooks (ELD's) into commercial vehicles by **December, 2017**. This one day seminar is taught by FMCSA Compliance Specialist, Brian Bullard and he will give you a step-by-step guide for DOT compliance.

Summary: The seminar will teach the specific set of standards that will ensure drivers and vehicles can comply with the new regulations including:

- Understanding maximum drive time
- 34 hours restart rules
- Sleeper berth rules
- Form and manner compliance
- Exemptions that pertain to you and your company and how/when to use them
- **The three major components of the ELD rule**
- New supporting documents and how to verify correct logging
- Technical specifications
- Synchronization with the ECM
- Display to enforcement
- Approved providers
