Please join DPS Sergeant Corey Smith and Trooper Ed Warren for a review of the Teens and Truck program. The 2017-2018 school Teens & Trucks schedule will be posted soon. The ATA and DPS need your assistance! Please join us to learn how your company can both benefit and assist with this program!

Thursday – July 27th - 11:30 AM to 1:00 PM

Lunch will be provided. Please RSVP by Tuesday, July 25th.

The Teens and Trucks Training Program was created by the Commercial Vehicle Safety Alliance in collaboration with the Arizona Trucking Association, Arizona Department of Public Safety and American Trucking Associations. Together these partners developed a program to help educate teens about safe driving practices around commercial vehicles.

How commercial vehicle companies can benefit:

- *Reduce accidents that are the fault of teen car drivers*
- *Reduce the frequency and severity of truck-involved accidents caused by teen car drivers*
- *Reduce insurance costs, downtime and overhead for trucking companies, which translates to increased profitability*
