

COMMERCIAL VEHICLE Vehicle Maintenance Compliance

Friday- May 18, 2018

Maintenance of a fleet is one of the highest priorities of a Commercial Carrier to insure their truck is safe, in good working order and meets the requirements of the FMCSA. Therefore you need to know what regulations you are subject to and what records the DOT and Roadside Inspectors expect. This one day seminar is taught by FMCSR's and Compliance Specialists, Brian Bullard and Chase Livingston.

Summary: The seminar will teach maintenance and regulation standards including:

- Common Roadside Violations
- Vehicle Maintenance Program
- Vehicle Maintenance Records/ Mechanic Files
- Driver Vehicle Inspection Report (DVIR's)
- Practical walk around of CMV and much more...

Whether you are a seasoned trucking veteran who needs a refresher on the rules or you are relatively new person who needs to better understand the rules, this class is for you! Brian and Chase will not only teach you what is required by rule but also give you the opportunity to go over any possible questions or concerns specific to your company.
