

## Safety & Maintenance Council (SMC)

**Safety & Maintenance Council (SMC)** - was created for the promotion of professionalism and safety in the trucking industry and is open to all employees of ATA member companies. The Council sponsors numerous awards and recognition programs, safety education courses and hosts meetings designed to provide professional networking and disbursement of safety information. The SMC also sponsors several outreach events and activities such as the annual RoadCheck, Teens and Trucks, Share the Road and the Arizona Truck Driving Championships.

I would like to join the Safety and Maintenance Council
