HB2021 - Conservation easements; in lieu payments

Sponsor

Rep. Gail Griffin (R)

Summary

The holder of a conservation easement shall make an annual monetary payment in lieu of taxes on the reduction of value of the property caused by the placement of the conservation easement. The payments in lieu of taxes shall be paid to the county treasurer of the county in which the property impacted by the easement is located. Payments made under this law shall be distributed by the county treasurer to the county and to school districts, cities and towns in the county in the same manner as other property tax revenues. Retroactive to January 1, 2024.

Ch. 23, Laws 2024 (HB2087 - Self-storage facilities; valuation; vehicles; towing)

Sponsor

Rep. Laurin Hendrix (R)

Summary

Establishes rental unit requirements on the part of the owner of the unit regarding interaction with a customer, including establishing a limit on the value of property stored by the occupant on the premises, communications methods and format that are acceptable between unit owner and occupant and caps late fees at the greater of \$10 or 20% of the amount of monthly rent. Allows for removal of a vehicle, watercraft or trailer from the property if the occupant is in default for more than 30 days, provided the owner sends notice to the occupant, including the name of the towing company used for removal. Stipulates that if the occupant does not resolve the issue in a notice-prescribed timeframe, the owner of the unit is not liable to the occupant for property loss or to any other person that claims an interest in the removed property. HB2189 - TPT; use tax; exemption; aviation

Sponsor

Rep. Timothy M. Dunn (R)

Summary

Repeals the requirement of the Department of Revenue to provide a form to document eligibility for a deduction when purchasing an aircraft and the prescribed process for documenting transfer of ownership, the percentage of operational control and associated taxes. Repeals the stipulations and definitions pertaining to the sale of aircraft, navigational and communication instruments and other accessories, related equipment, and the associated deduction from the tax base for said sales and the reclassifying of all such as those used for general or commercial aviation. Applies the bill to the taxable periods from the first day of the month following the general effective date.

HB2271 - Religious educational institution; special plates

Sponsor

Rep. Barbara Parker (R)

Summary

Requires the Arizona Department of Transportation (ADT) to authorize the development and production of Religious Educational Institution special license plates, if a person pays \$32,000 in startup costs by December 31, 2024, Of the \$25 fee for original special plates and for renewal of special plates, \$8 is a special plate administration fee and \$17 is an annual donation to the Religious Educational Institution Special Plates fund established by this bill. Establishes that the ADT shall

administer the fund and that the first \$32,000 in the fund shall be reimbursed to the person who paid the implementation fee and requires that no more than 10% of the money is deposited in the fund annually shall be used for the cost of administering the fund. Establishes that monies in the fund are continuously appropriated and requires the ADT to annually allocate monies from the fund to an entity qualified under The United States Internal Revenue Code and that the entity must be a Utah nonprofit corporation, have offices in Provo, UT, Laie, HA, or Rexburg, ID. Requires the state treasurer to invest and divest monies in the fund, on notice from the director, and in compliance with state law, and that money's earned from investments shall be credited to the fund. AS VETOED BY GOVERNOR. In her veto message, the Governor stated that establishing special plates that benefit out of state private educational institutions using public resources is not the best use of Arizona taxpayers' money.

HB2279 - Behavioral health professionals; addiction counseling.

Sponsor

Rep. Matt Gress (R)

Summary

Replaces “psychiatric mental health” with “psychiatric and mental health,” and “substance abuse” with “addiction.” Alters the definition of “practice of addiction counseling” (defined) to include “an addiction is a persistent, compulsive dependence on a behavior or substance, including mood-altering behaviors or activities known as addiction.” Requires licensed substance abuse technicians, associate substance abuse counselor or a licensed independent substance abuse counselor to change the licensure designation to licensed addiction technician, licensed associate addiction counselor or licensed independent addiction counselor by the person’s next renewal date. Exempts the Board of Behavioral Health Examiners from rulemaking requirements for one year after the effective date.

Ch. 120, Laws 2024 (HB2318 - State match fund; rural transportation)

Sponsor

Rep. Timothy M. Dunn (R)

Summary

Requires applicants awarded funding from the Rural Transportation Fund for design and other engineering services to apply for a federal grant within two years after the award, or the award lapses and the applicant must repay any expended monies to the fund. Requires the applicant to submit repayment within 30 days after receiving an invoice from the Arizona Department of Transportation (ADT.) Allows the Rural Transportation Fund Board (Board) to require additional documentation to ensure an applicant is eligible for a federal grant and to determine whether an applicant has the technical and financial capacity to complete the project. Allows the Board to give preference to applicants based on factors it deems appropriate for the applicable federal grant. Removes the requirement that an applicant notify the ADT within 15 days after receiving notice that the applicant has not secured the federal grant. Permits, starting January 1 and July one of each year, the Board to redistribute any unawarded monies in the fund to ensure each category receives a share of the monies based on the percentages prescribed by state law. Requires the ADT to post the amount available for each category on the ADT website within 30 days after approval of the redistribution of funds. Permits the Board to direct the ADT to close applications for any category and, if doing so, requires the Board to return unawarded applications to the applicants. Requires the board to rescind an award if an applicant receives funding from another source for the same project and purpose in an amount equal to or greater than the award made under this bill and requires the applicant to repay any monies expended from the fund within one year after the date of the recession resolution being approved by the board. AS SIGNED BY GOVERNOR.

HB2331 - Veteran community enhancement special plates

Sponsor

Rep. David Marshall, Sr. (R)

Summary

The Arizona Department of Transportation (ADOT) is required to issue Veteran Community Enhancement Special Plates, if a person donates \$32,000 in start-up costs by December 31, 2024 and permits that contributor to create the design and colors for the plate, pursuant to ADOT approval. Permits the DT to allow a request for Community College Equality Special Plates to be combined with a request for personalized special plates, and if permitted, the request must be on a ADOT approved form and is subject to fees for the personalized special plates in addition to fees required for the Veteran Community Enhancement Special Plates. Stipulates that of the \$25 fee for original special plates and for renewal of special plates, \$8 is a special plate administration fee and \$17.00 is an annual donation. Requires the ADOT to deposit all special plate administration fees in the State Highway Fund and to transmit all donations collected pursuant to this bill to the Veteran Community Enhancement Special Plates fund established by this bill. Establishes that monies in the fund are continuously appropriated and requires the DT to annually allocate monies from the fund to an entity qualified under The United States Internal Revenue Code to enhance the well-being of veterans and honor those who served. Requires the state treasurer to invest and divest monies in the fund, on notice from the director, and in compliance with state law, and that money's earned from investments shall be credited to the fund.

HB2374 - Unlawful flight from law enforcement

Sponsor

Rep. Lupe Diaz (R)

Summary

Modifies willfully fleeing a peace officer as an operator of a watercraft from a Class 5 felony to a Class 1 misdemeanor. Adds aggravated unlawful flight from a pursuing law enforcement vehicle to the qualifications that warrant first degree murder when committed in connection with the committing of other listed crimes in the law. Stipulates that unlawful flight from a pursuing law enforcement vehicle is a Class 5 felony. Stipulates that a driver commits aggravated unlawful flight from a pursuing law enforcement vehicle if the person fails to comply with a peace officer's orders and flees either a marked or unmarked law enforcement vehicle and drives at least 35 miles per hour over the posted speed limit, or intentionally, knowingly and recklessly causes serious physical injury or death to another person during the pursuit. Qualifies aggravated unlawful flight from a pursuing law enforcement vehicle as a Class 2 felony. Permits an officer to move or cause the removal of a vehicle if the driver of the vehicle engages in aggravated unlawful flight from a pursuing law enforcement vehicle, or if the driver commits aggravated unlawful flight from a pursuing law enforcement vehicle and subsequently attempt to flee by other means.

HB2389 - Motor vehicles; features; technology; prohibition (Vehicle sales; emergency stop; prohibition)

Sponsor

Rep. Alexander Kolodin (R)

Summary

Prohibits the sale of a motor vehicle if the motor vehicle has a “mechanism” (defined) by which it can be remotely shut off by a person that is not the “owner” (defined) of the vehicle and is not in possession of a physical key without the owner’s consent. Prohibits the prohibition or restriction of the manufacturing, sale or use of a motor vehicle solely because the motor vehicle does not contain a feature or technology that allows the remote shut-off of said vehicle. Ch. 94, Laws 2024 (HB2410 - Motor vehicle dealers; franchises)

Sponsor

Rep. David L. Cook (R)

Summary

Prohibits a manufacturer, importer, distributor, distributor branch, "factory" (defined) branch, or franchisor from failing or refusing to indemnify an existing or former franchisees and the franchisee's successor against claims that result from the condition, characteristic, manufacture behavior, assembly or design of any vehicle, "parts" (defined) or accessories, tools or equipment, service systems, improper use or disclosure of nonpublic information, or use of "service provided by a digital vendor" (defined) required by the manufacturer, importer, distributor, factory or franchisor if the use of the service violates state or federal law. Prohibits a manufacturer, factory branch, distributor, field representative, officer or agent of the manufacturer, or franchisor from "coercing" (defined) a new motor vehicle dealer to install a direct current fast charging station accessible to the public. Exempts a manufacturer, importer or distributor from making available or paying incentives or other benefits to a dealer that has not satisfied the requirements for eligibility on the same terms that are applied uniformly and equitably to all dealers of the same line-make in the state. Prohibits the manufacturer or distributor from using or threatening to use right of first refusal in bad faith. Adds including a "subscription service" (defined) for a motor vehicle feature that uses components and hardware that is already installed on the motor vehicle at the time of purchase or lease and would function after

activation without ongoing costs or support to the umbrella definition of “competing with or unfair discrimination” although it does not cover electronic, wireless communications systems used for information or entertainment. Outlines criteria for a “vehicle registration system” (defined) to qualify as competing with or unfair discrimination. Exempts manufacturers that do not and have never used franchised new motor vehicles dealers to offer, sell or service new motor vehicles that are manufactured or distributed by a franchisor, manufacturer, importer or distributor. HB2414 - Commercial vehicles; fleet plates; fees

Sponsor

Rep. David L. Cook (R)

Summary

Allows the Arizona Department of Transportation (ADOT) to issue a commercial vehicle fleet license plate in accordance to rules it develops. Allows a commercial fleet with more than 100 commercial vehicles to apply for a commercial vehicle fleet license plate with the fleet's logo, and a fleet with more than 25 commercial vehicles may apply for a commercial vehicle fleet license plate with the fleet's name placed on the bottom of the license plate, each contingent on approval by ADOT and the payment of fees determined by ADOT. Establishes the Commercial Truck Safety, Education and Workforce Fund, which is funded by monies deposited gifts, grants and other donations, plus, fees for various classifications of commercial vehicles. Stipulates that the Governor's Office of Highway Safety shall administer the fund and the State Treasurer shall invest and divest monies in the fund. Describes the fee structure that will be used to collect monies for the fund. Directs ADOT to use monies deposited in the fund to improve trucking education and public safety, including aiding

workforce development. Allows ADOT to enter into an agreement with an entity to assist in improving trucking education and public safety. AS PASSED HOUSE.

Ch. 208, Laws 2024 (HB2438 - ADOT; continuation; administration; licensing; planning (ADOT; administration; licensing; planning))

Sponsor

Rep. David L. Cook (R)

Summary

Defines the role and scope of a specialty peace officer and restricts the parameters of a mobile port of entry. Removes the Arizona State Schools for the Deaf and Blind from exemption from participating in the state motor vehicle fleet. Prohibits action against a person's driving privileges or registration if a judicial officer reports a conviction or finding of responsibility more than five years after the action. Permits the Arizona Department of Transportation (ADOT) to issue commercial fleet license plates, pursuant to state law and establishes the Commercial Vehicle License Plate Fund and defines its funding sources. Permits the ADOT check the Federal Motor Vehicle Carrier Safety Administration's Drug and Alcohol Clearinghouse for all commercial applicants. If the Clearinghouse indicates a prohibition from having a commercial license, the applicant's application for a commercial license or learner's permit shall be denied and their status as a commercial driver or applicant downgraded pursuant to this legislation. If the Clearinghouse indicates an error was made and the applicant has no restrictions or prohibitions, their application should be immediately restored and their downgraded status removed and if the initial status has no prohibitions or restrictions, the application should be granted. Removes the requirement to tell a vehicle owner when they are applying for or registering their vehicle the amount of vehicle license tax the taxpayer would pay if the vehicle were powered by an alternative fuel. Requires ADT to publish a schedule of public hearings on highway projects and allow public input. The statutory life of ADOT is extended eight years to January 1, 2033, retroactive to July 1, 2024. Ch. 151, Laws 2024 (HB2648 - Condominiums; planned communities; lien; assessment (Motor vehicle manufacturers; TPT; exemption))

Sponsor

Rep. Teresa Martinez (R)

Summary

Establishes a “common expense” (defined) lien on a unit for an assessment levied against that unit from the time the assessment becomes due and permits foreclosure if the “unit owner” (defined) is delinquent in payment of monies secured by the common expense. Requires the association board to exercise all reasonable efforts to communicate with the owner, negotiate reasonable payment and to implement relevant and applicable collection remedies before initiating foreclosure. Stipulates that delinquent member expenses are not common expense liens and that associations have a lien for delinquent member expenses. Excludes delinquent assessments as part of payment distribution to cover unpaid assessments, charges for late payment if authorized in association documents and costs incurred or applied by the association regarding unpaid assessments, if awarded by a court. Removes the date commence stipulation for providing unit owners a statement of account for complexes with less than 50 units. Prohibits an association from transferring ownership or control of debt for common or member expenses. AS SIGNED BY GOVERNOR.

HB2713 - Transportation network companies; liability

Sponsor

Rep. David Livingston (R)

Summary

This provision states that in a case where personal injury, property damage, or wrongful death is caused solely by a vehicle used for transportation network services while the driver is logged onto the digital network or software application, the transportation network company (Company) will not be held liable for owning, operating, or maintaining the Network if there was no negligence or criminal wrongdoing on the part of the Company, the Company fulfilled its obligations to the driver, and the Company is not the owner or custodian of the vehicle.

HB2728 - Transportation services employees; drivers; wages

Sponsor

Rep. Analise Ortiz (D)

Summary

Provides that the minimum wage for a “transportation network company driver” (Network Driver) or a “transportation delivery company driver” (defined) (Delivery Driver) is the greater of \$1.00 per mile, \$.47 per minute, \$5.62 at a minimum for “transportation network services” (defined) or “transportation delivery services” (defined) (Services), or 80% of any cancellation fee requested by the customer who requested the Services. Requires that a Delivery Driver be paid an increase of 25% in pay for every minute over 50 minutes or a distance of more than 50 miles, or 175% of the local minimum wage while on active delivery, whichever is greater. Requires that a Network Driver and Delivery Driver be provided a 3% annual cost of living adjustment, one hour of paid sick leave for every 32 hours worked, and a \$600 reimbursement for health care-related costs per quarter if the driver works at least an average of 32 hours per week during that quarter.

Ch. 74, Laws 2024 (HB2729 - Insurance coverage requirements; transportation companies.)

Sponsor

Rep. Travis Grantham (R)

Summary

Raises the minimum amount of primary commercial motor vehicle liability insurance that covers a transportation network company driver's provision of transportation network services to \$1,000,000 (from \$250,000) per incident when a passenger to whom the driver is providing services is occupying the company vehicle. Lowers the required minimum coverage for primary commercial uninsured motorist insurance from \$250,000 per incident to \$25,000 per person and \$50,000 per incident. Changes the minimum primary commercial uninsured motorist coverage for a taxi, livery vehicle or limousine to the greater of \$25,000 per person and \$75,000 (previously \$50,000) per incident or the minimum liability amounts for bodily injury or death prescribed for a motor vehicle liability policy. HB2866 - Electric vehicles; registration fee

Sponsor

Rep. David L. Cook (R)

Summary

Establishes a \$135 registration fee for motor vehicles that are fueled exclusively by electricity and have been issued an Alternative Fuel Vehicle Special Plate or Sticker by the Arizona Department of Transportation (ADOT). Due to a potential increase in state revenue, this legislation requires the affirmative vote of at least 2/3 of the members of each house of the Legislature for passage, and becomes effective on signature of the Governor.

HB2880 - Arizona bicycling special plates

Sponsor

Rep. Chris Mathis (D)

Summary

Requires the Arizona Department of Transportation (ADOT) to authorize the development and production of Arizona Bicycling Special Plates, provided a contributor donates \$32,000 to the ADOT for this purpose and allows that contributor to create the design and colors for the plate, pursuant to ADOT approval. Permits the ADOT to allow a request for Arizona Bicycling Special Plates to be combined with a request for personalized special plates, and if permitted, the request must be on a ADOT approved form and is subject to fees for the personalized special plates in addition to fees required for the Arizona Bicycling Special Plates. Stipulates the allocation of portions of each plate fee and requires ADOT to set up the appropriate funds, processes and controls to administer granted or received funds per state law. Establishes that the first \$32,000 in the fund shall be reimbursed to the person who paid the implementation and that funding is continuous. Creates the criteria for receiving monies from the funds. Requires the state treasurer to invest and divest monies in the fund, on notice from the director, and in compliance with state law, and that monies earned from investments shall be credited to the fund. HB2884 - Zero-emission vehicle program; rebate

Sponsor

Rep. Justin Wilmeth (R)

Summary

Establishes the Zero-Emission Vehicle Program (Program) within the Arizona Department of Environmental Quality (ADEQ) to provide rebates to persons who purchase “zero-emission vehicles” (defined). Requires ADEQ to adopt rules for the Program to specify zero-emission vehicle designs that qualify for the Program, establish procedures to prioritize monies, limit the number of rebates available to each class of zero-emission vehicles, allow a person who purchases a zero-emission vehicle to apply for a rebate for a portion of the purchase price of the vehicle or assign a rebate to a vehicle dealer. Requires ADEQ to prescribe a rebate application procedure, set an annual rebate cap that may vary for each class of zero-emission vehicles and award rebates only from monies available in the Zero-emission Vehicle Fund. Directs ADEQ to provide a procedure for the reimbursement of monies from zero-emission vehicle owners who receive a rebate but do not comply with prescribed requirements. Rebate decisions must be made within 60 days after the receipt of an application and

ADEQ may waive a reimbursement requirement on a finding of unforeseeable or unavoidable circumstances. Allows ADEQ to adopt rules to provide additional rebates for fleet owners that purchase zero-emission vehicles that operate in an area subject to the emissions inspection program, and to hire an outside contractor to help implement or administer the zero-emission vehicle program. Outlines the criteria and required documentation for a person to apply for a rebate. Requires a rebate recipient to notify ADEQ of a transfer of title of a zero-emission vehicle or an emissions system modification. Creates the Zero-emission Vehicle Fund (Fund) consisting of legislative appropriations, federal monies and private gifts, grants, contributions and devises and monies transferred from the Waste Tire Fund. Tasks ADEQ with administering the Fund. States that Fund monies are subject to legislative appropriation. Allows ADEQ to use Fund monies to administer and award rebates pursuant to the Program.

HCR2018 - Tax prohibition; vehicle mileage; monitoring

Sponsor

Rep. Travis Grantham (R)

Summary

The 2024 general election ballot is to carry the question of whether to amend Article IV of the Constitution of Arizona, prohibiting the state, and any county, city, town, municipal corporation, or other political subdivision, from imposing a tax or fee on any person based on the vehicle miles traveled by the person in a motor vehicle, or enact any rule or law to monitor or limit the vehicle miles traveled by a person in a motor vehicle unless the rule or law requires that the person voluntarily consents to the monitoring or limitation. Stipulates that this change does not apply to an interstate agreement to administer the payment or reporting of fuel taxes for registration fees for commercial vehicles that operate in more than one state. HCR2050 - Energy source; restriction; prohibition

Sponsor

Rep. Gail Griffin (R)

Summary

The 2024 general election ballot is to carry the question of whether to amend the Arizona Constitution to prohibit the state or any of its political subdivisions from restricting the manufacture, use or sale of a device based on the energy source that is either “used to power the device or consumed by the device” (defined). This edit to the Arizona Constitution does not apply to the selection of generation sources to ensure reliable and affordable provision of service. AS PASSED HOUSE.

Sen. Jake Hoffman (R)

Summary

Eliminates the requirement of routes, parking and street crossing areas for bicycles in municipal plans. Requires municipal plans not include policies or projects that reduce motor vehicle traffic system capacity and that any plan components that affect the level of service on an arterial street be subject to an independent, emergency vehicle impact study.

SB1012 - Transportation system performance; ADOT

Sponsor

Sen. Jake Hoffman (R)

Summary

Amends existing requirements to cover the development of performance metrics and the use of said metrics in board presentation material for the Arizona Department of Transportation (ADOT) to include mobility, integration of modes of travel, and safety improvements. Requires ADOT to use new weighting metrics for deciding on highway and transit projects that include weighting congestion reduction and increased mobility at 40% each for highway projects and safety improvements/reduction in roadway fatalities at 20% for highway projects. For transit projects, ridership on each route may not be weighted lower than 70% of the system average. The ridership minimum may be weighted at 50% of the system average if the lines are contracted to a private operator. Prohibits the ADOT from considering or adopting a motor vehicle travel mile reduction target, or using metrics that provide benefits based on race, color or ethnicity. AS PASSED SENATE.

SB1052 - All-terrain vehicles; definition

Sponsor

Sen. Frank Carroll (R)

Summary

Increases the maximum weight from 2,500 pounds to 3,500 pounds in the definition of “off-road vehicles” (defined). Provides that this legislation does not become law unless by September 2, 2027, the Arizona Department of Transportation (ADOT) establishes and funds a remediation program to help mitigate damage to the land, including private property, that happens because of ATV use, and the ADOT establishes and funds a county sheriff law enforcement program pertaining to ATV laws in Arizona to enable the sheriff to have dedicated enforcement of ATV laws. Requires the ADOT to notify the Arizona legislative council of compliance or noncompliance with those stipulations by October 1, 2027. AS PASSED HOUSE.

SB1064 - Conditional enactment; fuel reformulations (Gasoline formulations; air quality.)

Sponsor

Sen. Justine Wadsack (R)

Summary

Requires gasoline produced or shipped to or within Arizona, or offered for sale in counties with 1,200,000 or more residents to comply with one of two listed fuel reformulation options, subject to any waiver issued by the United States Environmental Protection Agency (EPA). Requires gasoline produced and shipped to and offered for sale in counties with 1,200,000 or more residents between November 1 and March 31 of each year to comply with one of six (previously one) listed standards, subject to any waiver issued by EPA. Repeals the existing petition, establishes a waiver process, defines the rules that govern that process, and directs the Arizona Department of Environmental Quality (ADEQ) to adopt rules to comply with this legislation. Directs ADEQ to submit proposed modifications to the gasoline fuel formulation requirements recommended to EPA and outlines that process. Requires the Arizona Department of Agriculture to maintain a list of all approved gasoline formulations by area on its website and to perform feasibility studies for altered or new blends of fuel and studies to evaluate the impact of EPA mandated gasoline blends on the state's transportation industry. Establishes a task force for to study and issue a report on critical fuel supply and capacity issues and opportunities. Establishes deadlines for compliance, self-repeals and contains a conditional enactment section. (More.) AS PASSED HOUSE.

SB1180 - Roadable aircraft; registration; license plates

Sponsor

Sen. David C. Farnsworth (R)

Summary

Requires the Arizona Department of Transportation (ADOT) to record the “N-number license marking” (defined) of the vehicle and combine the registration process for a motor vehicle with the registration process for an aircraft. Requires the ADOT to issue a motorcycle-sized license plate for a “roadable aircraft” (defined). Requires roadable aircraft to maintain both aircraft registration and vehicle registration except in cases where the roadable aircraft is subject to an annual license tax, pursuant to state law. Sets the renewal date for both registrations to the annual renewal date determined by the staggered registration schedule for aircraft. AS PASSED HOUSE.

SB1184 - Transportation department; continuation; prohibitions (Continuation; department of transportation)

Sponsor

Sen. David C. Farnsworth (R)

Summary

Prohibits the Arizona Department of Transportation (ADOT) from building or maintaining facilities that charge motor vehicles other than government-owned motor vehicles charged on government property. Prohibits ADOT from using public monies for training, orientation or therapy that presents any form of blame or judgment based upon race, ethnicity or sex. Prohibits ADOT from using public monies to develop a carbon reduction plan or a plan or strategy to reduce greenhouse gas emissions, except that it may develop a plan if necessary to accept federal monies. ADOT may not implement any strategies identified in the plan without express legislative authorization. The statutory life of ADOT is extended. Stipulates that ADOT's termination date is contingent on its implementation of the recommendations of the Arizona Auditor General (AAG) in the audit report issued August 2023 and the sunset review report issued in September 2023 as part of ADOT's sunset review. Stipulates that ADOT terminates on July 1, 2029, if it has implemented less than 80% of the recommendations, July 1, 2030, if it has implemented 80-89% of the recommendations, July 1, 2031, if it has implemented 90-99% of the recommendations, or July 1, 2032 if it has implemented 100% of the recommendations. Requires AAG to write a follow-up report 18 months after the sunset review report stating the percentage implemented by ADOT. AS PASSED SENATE.

SB1299 - Traffic control; right on red

Sponsor

Sen. Anthony Kern (R)

Summary

Requires an evaluation and a documented determination by a registered engineer that allowing a right turn on a red signal is unsafe before a right turn may be prohibited. AS VETOED BY GOVERNOR. In her veto message, the Governor stated that this bill is unnecessary and redundant for the Arizona Department of Transportation and local jurisdictions to follow traffic engineering guidelines and standards when determining traffic movement.

SB1467 - ADOT; authorized third parties; revocation

Sponsor

Sen. Anthony Kern (R)

Summary

Requires the Arizona Department of Public Safety (ADPS) to revoke an authorization or certification if a third party who conducts vehicle inspections on behalf of this state, does not meet the state's standards. The ADPS shall advise the third party in writing of the revocation and the grounds for the revocation. Within thirty days after receipt of the notice of revocation, the third party may petition the ADPS in writing for a hearing on the revocation or seek judicial review of the revocation and if the court finds for the third party, the court may reinstate the authorization or certification, or both and award the party who had the revocation any damages or attorney fees. Requires the ADPS to revoke an application for an authorization or certification, or both, if the applicant does not adhere to the requirements set forth by the state, and in the case of a denial, the application may request in writing a hearing, or seek judicial review under the same criteria for authorization or certification instatement and awards. Sets forth ADPS rules for notification to the person denied and stipulates that a timely request for a hearing stays the revocation. Permits any person denied, suspended or cancelled by the ADPS to seek a judicial review and forego the administrative appeal and requires a court to reverse the denial, suspension or cancellation and award damages and legal fees if it finds merit in the applicant or revoked parties case. AS PASSED SENATE.

SB1620 - TPT; exemption; motor vehicles

Sponsor

Sen. Justine Wadsack (R)

Summary

Removes exception for a vehicle registration permit for purchasers completing a statutory form with the Arizona Department of Revenue (ADR) certifying deductions. Removes ADR from involvement. Removes allowance for the electronic record to serve as written notice relieving a dealer of liability for noncompliance with reporting requirements. Removes the liability of purchaser for the dealer's tax liability if the purchaser registers the vehicle within 365 days after issuance of the special 90-day nonresident registration permit and removes requirement that a dealer inform the purchaser of such liability. Removes application of deductions a benefit of compliance with reporting requirements. Removes requirement that ADR prescribe forms for and make rules regarding a certificate establishing deductions. Expands the exemption from the tax imposed on retail classification to the gross proceeds of sales or gross income from the sales of all motor vehicles rather than only to motor vehicles sold to nonresidents of Arizona. Removes requirements for calculating the tax base. Removes exemption from the tax for the storage, use or consumption of motor vehicles removed from inventory by a dealer that are provided to: charitable or educational institutions exempt from taxation, public educational institutions, or state universities or affiliated organizations of a state university. Removes the exemption from municipal tax for certain sales of motor vehicles to nonresidents of this

state. Removes authority for a city or town to levy a transaction privilege tax on the gross proceeds of sales or gross income derived from the sale of a motor vehicle to: a nonresident of Arizona if the purchaser's state of residence does not allow a corresponding use tax exemption to the tax and if the nonresident has secured a special 90-day nonresident registration permit for the vehicle; or an enrolled member of an Indian tribe who resides on the Indian reservation established for that tribe, unless possession of the vehicle is received on the enrolled member's Indian reservation. Effective December 31, 2024.

HB2098 - Property sale; redemption; tax liens (Tax liens; redemption; property sale)

Sponsor

Rep. Gail Griffin (R)

Summary

Exempts judgments directing the sale of property pursuant to state law covering tax liens and defines when a lien may be fully redeemed. Defines required wording on a notice of action to foreclose on the right to redeem a property. Directs courts when to enter a judgment foreclosing on a property and the subsequent actions of the County Treasurer. Outlines the rights of the person whose property has the lien imposed. Defines the information required on a certificate of purchase and what a right to redeem covers. Defines notices the County Treasure must send and the parties the notices must be sent to, including applicable timeframes. Covers how to handle costs incurred for litigation and identifying interests of record. Defines how notice of sales are to be set up and where they must be sent and filed. Outlines how sales are to be managed, who may bid on a property, how payment for property sales are to be addressed and how proceeds are to be distributed. Applies to actions to foreclose and right to redeem after the effective date of the legislation. (More) AS PASSED HOUSE.

HB2100 - Administrative completeness review; licensing

Sponsor

Rep. Gail Griffin (R)

Summary

Requires state agencies to publicly list on the Agency's website items that are needed for an application to be administratively complete. Stipulates that a Notice of Deficiencies submitted in the stated timeframe renders an application administratively complete. Prohibits an agency from determining merits or outcome of an application or notifying an applicant of the Agency's determination within the Administrative Completeness Review Time Frame. Prohibits the Agency from using materials to formulate an opinion if those materials are not part of the application or covered under the public disclosure requirements of the bill unless the documents or report were submitted for public inspection or the applicant had an opportunity to challenge any associated findings before submitting their application. Requires an Agency to provide an applicant with a list of required items that the Agency has made available to the public on its website at the time the applicant picks up an application. AS VETOED BY GOVERNOR. In her veto message, the Governor stated that this bill adds "onerous processes" to licensing agencies that would cause longer wait times for applicants and increased costs to state agencies and that she encourages the bill sponsor to work with stakeholders to find solutions to this issue.

HB2180 - Gasoline formulations; air quality

Sponsor

Rep. Alexander Kolodin (R)

Summary

Stipulates that the maximum vapor pressure for gasoline sale by a retail seller shall be 9 pounds per square inch from October 1 through March 31 and 7 pounds per square inch from April 1 through September 30 of each year for counties with a population of 1,200,000. Sets standards, including exemptions, for gasoline that is stored, shipped, produced and sold, to comply with if the gasoline qualifies for a waiver granted by federal authorities, including stipulations for pressure and oxygen content, or any other thresholds prescribed by the United States Environmental Protection Agency (EPA.) Permits the legislature to petition Weights and Measurements Division of the Department of Agriculture to allow a registered supplier or oxygenate blender to comply with customized standards if the supplier or oxygenate blender can demonstrate it adheres to state law and danger might result from supply shortages of ethanol. Establishes the standards for the supplier or blender, or all suppliers or blenders to petition to comply with standards other than are set forth by this law. Directs the Associate Director to consult with the Director of the Department of Environmental Quality (DEQ) to implement these standards. Directs the Director of DEQ to submit proposed modifications to the gasoline fuel formulation requirements recommended to the US EPA. The balance of the bill applies to selling gasoline or oxygenate by one seller to another, rules for gasoline reformulation in other zoned areas and a final report of compliance or non-compliance by October 1, 2025. HB2302 - Workers' rights; public health emergency

Sponsor

Rep. Lorena Austin (D)

Summary

Employers are prohibited from discriminating or retaliating against any worker based on the worker raising any reasonable concern about workplace violations of government health and safety rules, from requiring a worker to sign a contract or other agreement that would limit or prevent the worker from disclosing information about workplace health and safety practices related to a public health emergency, and from discriminating or retaliating against any worker based on the worker voluntarily wearing at the workplace the worker's own personal protective equipment. Some exceptions. Establishes penalties for violations. Appropriates an unspecified amount (blank in original) from the general fund in FY2024-25 to the Employment Support Fund. Applies to conduct occurring from and after the effective date of this legislation. Contains an emergency clause.

Ch. 121, Laws 2024 (HB2367 - Solid waste; fees; rules)

Sponsor

Rep. Gail Griffin (R)

Summary

Stipulates that authorized total fees or associated percentages that formulate fees for the sale of new vehicles tires as determined by the Department of Environmental Quality (DEQ) are applicable until the effective date of this bill. Requires an owner or operator of a waste tire collection site register with DEQ. Removes the public notice and comment requirement and statutory authorization mandate on DEQ to increase fees associated with waste tire collection sites, transporting human excreta from privies, septic tanks, cesspools and other waste treatment processes, general permits, solid waste landfills, the storage, processing, treatment and disposal of solid waste, and biohazardous medical waste. Removes criteria for determining fees on various activities, operations and sites by DEQ and authorizes DEQ to charge fees for processing applications for facilities, sites and applications for the disposal of waste mentioned in this bill. Directs the DEQ to register collection and recycling facilities that accept lead acid batteries, solid waste and biohazardous medical waste facilities, handlers or used oil, and to charge an initial registration fee to those facilities that is deposited into the Solid Waste Fee Fund. Requires DEQ to establish fees as part of the rule making process for solid waste, biohazardous medical waste, and biosolid processing that are to be deposited into the Solid Waste Fee Fund. Requires used oil transporters, marketers, processors and re-refiners to submit to DEQ an annual report within 30 days of the end of the year that contains all required tracking information. Requires DEQ to charge an annual fee to facilities that generate, transport or receive special waste and exempts facilities that pay fees associated with this bill from paying the annual fee. Adds lead acid battery collection and recycling fees to the Solid Waste Fee Fund. Contains a legislative intent and emergency clause. AS SIGNED BY GOVERNOR.

HB2389 - Motor vehicles; features; technology; prohibition (Vehicle sales; emergency stop; prohibition)

Sponsor

Rep. Alexander Kolodin (R)

Summary

Prohibits the sale of a motor vehicle if the motor vehicle has a “mechanism” (defined) by which it can be remotely shut off by a person that is not the “owner” (defined) of the vehicle and is not in possession of a physical key without the owner’s consent. Prohibits the prohibition or restriction of the manufacturing, sale or use of a motor vehicle solely because the motor vehicle does not contain a feature or technology that allows the remote shut-off of said vehicle. HB2436 - State contracts; foreign adversary; prohibition

Sponsor

Rep. Lupe Diaz (R)

Summary

Prohibits a “covered company” (defined) from bidding on, submitting a proposal to or entering into a contract with a state agency or political subdivision for goods or services. Requires all companies submitting a bid for contract for goods or services with the state to provide a letter of certification that the company is not a covered company and to provide a disclosure, stating whether that for up to 24 months before submitting the proposal, the company had any business with a foreign adversary, state owned enterprise of a foreign adversary, or a company domiciled within the territory of a foreign adversary. Provides for the bidding company to issue a disclosure if their bid does not contain one and permits a contract officer from considering the disclosure when evaluating a bid or offer or awarding the contract. Prohibits the state from doing business with any company that had business operations or contracts with the military, or political party of a foreign adversary or with a federally banned company in the last 60 months. Outlines penalties and actions taken against companies that mislead the state about covered company status or provides false information to qualify as eligible to do business with this state. Defines exceptions where the state may do business with a covered company. Entitles this act as the “Protection Procurement Act.” AS PASSED HOUSE.

Sponsor

Rep. David L. Cook (R)

Summary

Stipulates that in a civil suit involving a “covered motor vehicle” (defined), there is no obligation to retrofit the vehicle with parts or equipment not required by federal motor vehicle safety standards at the time of the manufacture or original sale of the vehicle. Renders evidence related to such alleged obligations inadmissible as evidence. Excludes a vehicle if there was a failure to comply with a law or

regulation requiring a recall or retrofit of the vehicle issued after the vehicle was manufactured or first sold. AS SIGNED BY GOVERNOR.

HB2572 - State land; oversight board

Sponsor

Rep. Leo Biasiucci (R)

Summary

Establishes a Board of Appeals and the criteria for membership, including breaking out counties by District. Requires that every member be experienced in the sale, lease, classification or appraisal of at least one of the following: All types of real estate, subsurface estates, grazing leases, agricultural leases, commercial leases, water and water rights, rights of way and easements, and natural products of the land. Defines the groups each member may represent, but prohibits any single member from serving as a representative for more than one interest or group. Prohibits any member from participating in any matter in which the member has a "direct financial interest" (defined). Establishes the State Land Oversight Board, whose members shall be the same members as the Board of Appeals. Requires Oversight Board meetings be open to the public and that the Arizona Land Department (ALD) maintain all Oversight Board records and documentation. Defines the duties of the chairperson and vice chairperson. Prohibits any member of the Oversight Board from participating in any matter in which the member has a direct financial interest. Permits any person adversely affected by a final decision of the Oversight Board to have an appeals hearing and to seek judicial relief but stipulates that once the appeal process has been exhausted the decision shall be declared final. Defines the purpose of the Oversight Board as reviewing and determining to approve or deny the sale or lease of state land or natural product and sets forth the criteria for each type of property that falls within those categories. Requires a majority approval for any sale or lease that requires a determination of the Oversight Board and stipulates that until approval is gained the sale or lease may not move forward. Defines the auction process and the role in that process of the Oversight Board. During the review process, this bill allows the Oversight Board to consider compliance with applicable state laws and Arizona Constitutional Amendments. Requires the Oversight Board to notify the ALD if a proposed transaction is denied and to provide a written explanation of the denial including any areas of noncompliance on which the denial was based. Requires the ALD to notify the applicant of the denial and to propose an alternative. If only one applicant applied for a proposed transaction, the ALD shall hold a new auction in accordance with Arizona law and the prior applicant is permitted to place a new bid and if that applicant is the solitary applicant the Oversight Board is required to approve the transaction. Permits the Oversight Board to adopt rules pursuant to this bill. Requires the Oversight Board To review and make determinations on improvement projects for reimbursement greater than \$1,000,000 or any series of improvements for one applicant that exceeds \$5,000,000. Define subprocess of determination in the above situations and the criteria the Oversight Board may consider when deciding. Requires that all meetings of the Oversight Board our public and members of the public are allowed to provide comments at a duly noticed public meeting. Permits the Oversight Board to make rules pertaining to public comment and defines the required data that shall accompany any public comment. Prohibits any member of the Oversight Board with a direct financial interest in a matter before the Oversight Board from providing any written or verbal comments to any other board member outside of the public meeting and requires any member that receives a prohibited communication to advise the person creating the communication that the communication in question will not be considered and the member to issue a public statement at a public meeting that provides the name of the person, any organization they represent, and the substance of the comments. Permits all persons serving as members of the Board of Appeals to serve out their terms and requires new appointments to be prescribed by state law.

HB2581 - Physical presence; resident

Sponsor

Rep. John Gillette (R)

Summary

Determines a resident to be an individual with a physical presence in the state for at least 181 days with the intent to remain in the state for tax purposes, vehicle registration and voter registration. Permits the County Assessor, Director of the Arizona Department of Transportation (ADT) to determine a person is a resident if they demonstrate an intent to remain in the state and provide evidence of in-state employment, purchase of real property, rental of residential property, purchase of real property for residential purposes, the enrollment of the individual or their children in a school district or charter school, or upon showing an active duty military service member identification for the service member or their dependents. Requires the Legislative Council to prepare proposed legislation to conform the ARS with the provisions established by this bill to be considered in the fifty-seventh legislature, first regular session. AS VETOED BY GOVERNOR. In her veto message, the Governor stated that this bill creates additional, unnecessary barriers for individuals registering to vote.

HB2638 - Litigation; financing; consumer protection; enforcement

Sponsor

Rep. Travis Grantham (R)

Summary

Prohibits a “litigation financier” from directing or making decisions regarding the course of any “action” (defined) that is subject to a “litigation financing agreement” (defined), or any settlement or disposition, including decisions concerning appointing or replacing counsel, whether to utilize expert witnesses, and litigation strategy. Prohibits a litigation financier from receiving, directly or indirectly, a larger share of the proceeds of an action than the named parties to the action that is subject to a litigation financing agreement. Requires the court to consider the existence of litigation financing and any conflicts of interest in a class action litigation when determining if a class representative or counsel would adequately and fairly represent the interest of the class, and when approving or appointing counsel to “leadership positions” (defined). Prohibits a litigation financier to pay or offer to pay a commission, referral fee or other consideration to any person, including legal counsel, a law firm or “licensed health care provider” (defined) for referring a litigant to the financier, assign, including securitizing, a litigation financing agreement in whole or part, and be assigned rights to an action that is subject to a litigation financing agreement to which the financier is a party. Requires the party to the action or the counsel of record to provide various parties to the case a copy of the litigation, any connections between the financier and the parties to the action or the courts and the US Department of State and Office of the Attorney General of any ties between the parties of the action and the litigation financier to foreign entities as well as any points of national security interests that are disclosed as a process of the action. Requires the litigation financier to indemnify various parties involved in the action. Stipulates that any financing agreement that violates this law is void and that the action applies to any civil action, administrative proceeding, claim, or cause of action that is pending or commenced upon the effective date of this law. The effective date is January 1, 2025. (More)

HCR2060 - Border; benefits; fentanyl; illegal entry (Lawful presence; e-verify program; penalties)

Sponsor

Rep. Ben Toma (R)

Summary

The 2024 general election ballot is to carry the question of whether to amend multiple titles of the Arizona Revised Statutes relating to unauthorized aliens and subsequent, related actions. Prohibits any unlawful entrant to the USA from applying for federal, state or local benefits with a false document and makes that action a Class 6 felony. Requires a municipality or county that receive state monies for a public welfare program to use the federal Alien Verification for Entitlements Program administered by the US Citizenship and Immigration Services or any associated program to verify the validity of any documents presented by the applicant. Designates the sale of fentanyl as a Class 2 felony and defines what qualifies as a sale of fentanyl. Defines what constitutes as an illegal entrant to Arizona, requires that any entrant to the state do so from a lawful port of entry, designates violation of this law is an affirmative defense if certain criteria are met and defines the process needed to address illegal entrants to the state. Defines the criteria for enforcement of this article, immunity for public officials engaged in enforcing this article, rules for incarceration and unlawful entrant processing, and the legal rights of the legislature to defend this article in court. Contains a severability clause. (More.) AS PASSED SENATE

SB1500 - Drones; prohibition; autonomous vehicles

Sponsor

Sen. David C. Farnsworth (R)

Summary

Prohibits any “light detection and ranging” (defined) equipment manufactured in or by a company domiciled, or owned by a company domiciled, in a “country of concern” (defined) (CoC) from being used for any new “state infrastructure” (defined) constructed in Arizona or included in procurement made by an agency or a political subdivision of the state. Requires any existing state infrastructure

that is currently using prohibited light detection and ranging equipment to remove and replace the equipment within 90 days of the effective date of this legislation. Requires any existing state infrastructure that is currently using prohibited light detection and ranging equipment to remove and replace the equipment within 90 days of the effective date of this legislation. Preempts an autonomous vehicle that includes any light detection and ranging equipment manufactured in or by a company domiciled in a CoC from being issued any certification, license or regulatory approval concerning the vehicle's approval, use or operation in Arizona. Prohibits any state, county, local or municipal governmental entity (agency) from purchasing, acquiring or using a drone, or any related equipment, produced by a manufacturer domiciled in, owned or controlled by a CoC a company owned by or domiciled in a CoC, except if an "agency" (defined) weighs the goals of the research against the risk to any networks or data when using a drone, uses the drone for research and accountability purposes only; and provides written notice stating the intended purpose of the use, the participants and any benefits of the research to the Arizona Department of Homeland Security (AZDOHS) at least 30 days before using a drone. Provides further provisions under which drones may be used (more)

Ch. 201, Laws 2024 (SB1670 - Public-private partnership contracts)

Sponsor

Sen. David Gowan (R)

Summary

Adds information technology vendors to organizations with which an Arizona agency may enter into a contract. Permits, with legislative authorization, the Arizona Department of Administration (ADA) and the Arizona Department of Emergency and Military Affairs (ADEMA) to issue requests for proposals for military rotary wing aviation flight and maintenance training and services and to jointly establish public-private partnerships for the same at locations controlled, owned or administered by either the ADA or ADEMA. Requires any procurement of a private sector entity to be done via a request for proposal and for both agencies to develop eligibility requirements. Prohibits monies to be spent on services rendered by a private sector entity to the USA or any foreign military personnel without agreements for reimbursement and outlines request for proposals, justification requirements from the affected agency, authorization processes, a prohibition on guaranteed funding and fee payment processes. Self-repeals after September 30, 2026 and stipulates the repeal does not affect any contractual obligations or duties entered into pursuant to this legislation, or any rules that apply to the overriding contract. Contains an emergency measure. (More.) AS SIGNED BY THE GOVERNOR.
